RECARO AIRCRAFT SEATING CL3710 TOOK CENTER STAGE IN STARLUX ECONOMY CLASS AT SINGAPORE AIRSHOW

Singapore Airshow took place from February 20-25

Singapore, February 22, 2024 – RECARO Aircraft Seating, a global leader in aircraft seat manufacturing, will showcase its award-winning CL3710 seat in the economy class cabin of the Starlux Airlines (Starlux) A330 aircraft at the upcoming Singapore Airshow, scheduled to take place from February 20-25, 2024.

The CL3710 seat, known for its exceptional and ergonomic design, entered into service on the Starlux A350 in 2019 and was subsequently selected for the A330neo in 2022. As of February 2024, more than 2,500 CL3710 seats have been delivered to Starlux, solidifying the position of RECARO as the incumbent supplier for all widebody aircraft within the Starlux fleet.

The collaboration between Starlux and RECARO reflects a shared commitment to delivering excellence in passenger comfort and satisfaction. The CL3710 seat, characterized by its sleek profile, was chosen for its ability to provide passengers with an unparalleled inflight experience without compromising on comfort.

"RECARO takes great pride in being the chosen seating supplier for Starlux Airlines. Our CL3710 seats are meticulously designed to strike an ideal balance between aesthetics and comfort," said Dr. Mark Hiller, CEO of RECARO Aircraft Seating and RECARO Holding. "We're certain that Starlux Airlines passengers will recognize and value the exceptional quality and ergonomics that are hallmarks of our seating solutions."

Mr. Glenn Chai, Chief Executive Officer at STARLUX Airlines, expressed enthusiasm about the collaboration, stating, "We are thrilled to introduce the RECARO CL3710 seats on our A330 fleet, as they align perfectly with our dedication to providing passengers with the utmost comfort and style. This partnership with RECARO reinforces our commitment to delivering exceptional travel experiences for our passengers."

The CL3710 seat enhances the overall inflight experience by offering unparalleled ergonomic support, ensuring that passengers enjoy a relaxing journey on the Starlux widebody aircraft. Visitors to the Singapore Airshow could experience firsthand the innovative design and comfort of the CL3710 seat, showcasing how RECARO and Starlux continue to elevate the standards of passenger travel.
